

Workshop Digital Markets Act

SteR, iHub, TILT and TILEC are hosting an online workshop on the afternoon of **15 December 2022** to celebrate the **two-year anniversary** of the DMA proposal and to discuss the final text (Regulation 2022/1925) published on 12 October 2022.

The purpose of this workshop is two-fold. On the one hand, it aims at bringing attendees up to speed with the main changes that occurred between the proposal and the final text. On the other hand, it aims to look ahead and to put the focus on some key challenges that the DMA will face in the coming years.

The event is **free** and **open to all**. More **information** and **registration** [here](#)
