

# Connected\_Life\_2015

4 JUNE, BALLIOL COLLEGE, UNIVERSITY OF OXFORD

## OUR DIGITAL SOCIETY

Join us for a student-run conference dedicated to sparking collaborations in the multidisciplinary field of Internet Studies. We hope that this year's Connected Life will address the following 'big picture' themes:

- *Digital Society: unfinished revolution?*
- *Digital Humanities: transcending text?*
- *Digital Surveillance: rights and wrongs?*

## CALL FOR PRESENTERS

Submit an abstract or blog post of 400-600 words for an oral or visual presentation by Monday, 16 March 2015 to [connectedlife@oii.ox.ac.uk](mailto:connectedlife@oii.ox.ac.uk).

Visit <http://www.connectedlife.oii.ox.ac.uk> for more information.
